Report from our Chair, Liz Brunwin, at the meeting held on the 26th April:

The Chair extended her apologies for the long agenda.

Unfortunately the scheduled meeting in May had had to be included because the Government are being challenged in the Courts about the ending of virtual meetings from the 6th May and the resumption of face to face meetings.

The Chair was happy to report that all the actions from the

last playground inspection have been dealt with thanks in no small part to Shimpling resident, Ben Hutchinson, who very kindly dealt with issues flagged up in the last inspection on a materials only basis.

Following a suggestion from a resident to move the recycling banks to the area outside the Village Hall, the Chair had met with a representative of Babergh. However, he has reported that the contractors would have difficulties turning into the access road to collect and delivery recycling banks, so this was not an option. The Chair had also contacted Suffolk Highways regarding the proposed improvements to the layby by the recycling banks on several occasions but has not as yet received a response.

The Chair had chased Suffolk Highways about the reported overhanging trees in The Street which were the subject of a discussion at the last Parish Council meeting. Suffolk Highways sent out a representative out to inspect the area but their report (which stated nothing needed to be done) clearly showed that they were looking in the wrong place. In the event, local residents took the matter into their own hands and cut the offending trees down themselves in order to avoid any damage to vehicles. The Chair thanked all those involved for their efforts. She reported that she had written to Suffolk Highways suggesting that it might be prudent in future for representatives to meet with a member of the council on-site so to avoid any confusion in future.

The Chair was also pleased to reported the good news that The Bush had been purchased by a villager and is to be

reopened.

Recycling

Please remember that the parish council receives money from the glass, clothing and shoes deposited in the recycling bins near the Bush Inn. Clothing and shoes should be bagged before depositing in the clothing/shoe bank. This income helps to run the council and therefore is a direct benefit to the village. **Please keep recycling.**

What the Parish Council have been up to ...

Over the last couple of months we have:

Organised the remedial works on the playground to be carried out. Our thanks go to Ben Hutchinson for doing this work at materials only cost.

Arranged for the ariel runway chain to be inspected in the playground.

We are working through the processes with nominating Gents Lane as a Quiet Lane.

The Parish Council are starting a project on Footpath No7, which runs from The Street round to Gents Lane This is a large scale project that will hopefully start in May to improve the footpath surface and make it safer for walking.

With the kind help of volunteers – Laurence Rooke and Ted Pine, the village sign has been repointed and the door of the telephone box repaired.

Do you have new neighbours?

For some time now, the Parish Council have been sending welcome letters with local information to new residents. If

you have new neighbours, can you please let Katie Haselhurst kh.shimpling@gmail.com know so that she can organise a welcome letter.

Planning: There have been 4 new applications since our last newsletter. Others are updated below:

SAVE

(Shimpling AED Village Enterprise)

As most people are aware the village has an AED located in a locked cabinet outside The Bush. The device is registered with the East of England Ambulance Service, who have the access code details.

In the event of an emergency, the precise location of the AED would need to be given, to enable the Ambulance Service to give the code. The location is

The Bush, The Street, Shimpling IP29 4HU

Please make a note of these details, as it could save time in gaining access.

Well done ... a bit of reflection ...
and Lawshall

Well done!

We are thankful that lockdown continues to lift, and as it does we have an opportunity to reflect on all that has happened during the pandemic. One of the many things which stands out for me is the extraordinary response of our villages when lockdown first struck. Shimpling was a great example. Almost immediately there was a regular news-sheet providing helpful information and offering support to those in need. People helped each other with various practical tasks. Food (and even flour!) was made available. I certainly consider myself very fortunate to serve in a community which put into practice 'love thy neighbour'.

A bit of reflection ...

It has been an interesting year for me as a minister. Clearly our thoughts and prayers must firstly go to those who were directly affected by the virus, and also others affected by illness (including mental illness).

But even though our churches were locked for a time, I believe it has been a significant year spiritually. We have been thinking hard about what is important in life ... about the environment, about the importance of family and community, about the limitations of human wisdom, and indeed about our mortality. I think many people are feeling closer to God. We have been livestreaming Sunday services every week since lockdown started at 10.30am on Sundays. To start with we used a mobile phone; we migrated to a system using

simple camcorders; and now we can stream from Melford with rather a swanky system. For those with no internet we also burn DVD's. We've had people tuning in from Thailand, Canada, America ... and even Yorkshire! Alongside this we also kept our children's' work going using our Children at Church Facebook page and doing Zoom Messy Church. Thankfully we can again hold services in church buildings, and we're starting to work through the backlog of weddings and Christenings – couples and parents have had to be very patient. In Alpheton and Shimpling, due to a number of practical constraints, we started by having services on Wednesday, but we are planning to move to Sundays in August (see below). Please keep an eye on the church website and the notice boards just in case things change.

Lawshall

As well as all this, we have been approached by the Diocese to consider whether we might consider joining with Lawshall parish due to a reorganisation later this year. This is an exciting opportunity due to the connections with the school, but would stretch up somewhat so please pray that we have wisdom.

Final thought

None of us will be the same after this year. Let's hope that we can take from the good we have learnt despite the sadness and the challenges ... and make the most of the opportunities that come our way.

If you want to find out more about our church family or get involved in helping maintain our special buildings please contact Rev Matthew (revmattis@gmail.com, 01787 310

845).

Quiet Lanes

The Parish Council has been involved in a county-wide project on Quiet Lanes. Following consultation with residents, Gents Lane was accepted for designation by the responsible body within the County Council. SCC Highways will erect a small sign at the start of Gents Lane, drawing users' attention to the new designation.

Quiet Lanes do not impose any traffic restrictions but seek to inform road users of the presence of walkers, dog-walkers, cyclists and equestrians and to show more respect for these more vulnerable road users. The aim is to change the mindset that a lane exists only for vehicular traffic: it is there for the benefit of everyone. The cost of the project has been met by the County Council which views the designation of the routes selected, as a desirable asset for the county.

The catalyst for our involvement in this project was the realisation that residents were 'getting out more' in the Covid lockdown world. We saw more people than ever using Gents Lane, close to the most populated part of the village, for informal recreation. We are also aware that Gents Lane links seamlessly with the public footpath system as well as The Street, providing opportunities for residents of all abilities to exercise and appreciate their surroundings. In my role as Chairman of the Parish Council, my overriding concern is to help improve the quality of life of residents. This Quiet Lane initiative is very much in that vein.

THE HALLIFAX TRUST

A locally based charity providing grants to students under the age of 25 receiving further education at colleges or universities or undergoing formal training for a profession or vocation. These are non-means tested. To qualify students must simply have parents living in Shimpling or alternatively have in the past attended Lawshall School whilst their parents were living in Shimpling.

Funding is additionally available for other school and village projects

HELP US TO HELP OUR CHILDREN

We have recently received a small number of donations to the Charity for which we are extremely grateful. Please consider whether you could help with a donation or a legacy. These are tough times for students and the more funds we have the more we can help.

Bonfire guidelines from Babergh District Council

If you must have a bonfire follow these guidelines to avoid causing a nuisance and to keep safe:

- Keep the number of bonfires to an absolute minimum.
- Only burn dry material. This will produce the minimum of smoke.
- Never burn household rubbish, rubber tyres, or anything containing plastic, foam or paint. The Council will collect domestic hazardous waste for a small fee - see our [Hazardous Waste Collections](#) page for details.
- Never use old engine oil, methylated spirit or petrol to light or encourage the fire.
- Avoid lighting a fire in unsuitable weather conditions. Smoke hangs in the air on damp, still days and in the evening around sunset – ensure the bonfire is extinguished well before.
- If it is windy, smoke may be blown into neighbours' gardens and across roads.
- Keep the bonfire under adult supervision at all times and ensure it is extinguished completely, by dousing with soil or water, before you leave it.
- Keep a hose pipe or buckets of water close at hand in case the fire gets out of hand.
- Take account of your neighbours' activities e.g. washing hanging on a line, open windows, sitting in garden, decorating etc.
- Consult, or at least warn, your neighbour before lighting a bonfire.

Thank you for your consideration

Obituary—Gwen Matthews

Mum, Gwen Matthews, lived here in the village in her bungalow, Sudeley, in Gents Lane, at the beginning of the track across the field, for about 35 years, before moving to the Willows when she was in her 100th year. She and Dad loved the village, the friendliness of the folk around her, and particularly the beautiful views from her windows across the fields and the stunning sunsets.

Some of you will remember meeting her when she was out walking with her beloved dog, Toby, who she got from a rescue centre after Dad died, and although he had a mind of his own, was a great companion to her.

She loved her garden and appreciated all those who stopped to chat to her when she was working in it.

She, and Dad, were very good baby sitters and enjoyed being close to three of their grandchildren.

RIP dear Mum

Hilary (Rooke)

ROAD TRAFFIC REGULATION ACT 1984: SECTION 14(2) TEMPORARY CLOSURE OF PART OF FOOTPATH 7, SHIMPLING

From 31/05/2021 for an initial period of 21 days Footpath 7, Shimpling from The Street to the junction with Gents Lane will be closed to all pedestrian traffic. This is to enable surfacing works. Co-ordinated works may also take place during this period.

The alternative route will be from The Street south west to Gents Lane, south along Gents Lane follow round the corner north westbound and vice versa.

It is intended that the closure will operate until 30/06/2021 and an order will be made to cover the further period.

Enquiries should be made to Public Rights of Way West Area Team Tel: 0345 606 6171. Email: PROW.west@suffolk.gov.uk

This half-term we have been thinking about keeping our bodies and minds healthy. We have been looking at a variety of food and food labels to find out which foods help us to grow even taller and stronger than we are now. We have also found out which foods we should only eat as an occasional treat. As part of this we have enjoyed trying lots of new foods at snack time!

We have been taking part in lots of different sorts of exercise – our favourite is when someone throws a six in our dice game – then we get to have a ‘Dance Party’.

We have a new friend at Pre-School this week. His name is Rainbow and he is a Worry Monster, but he is not scary! We have been talking about our emotions and every day we put our name against how we feel on our Feelings Board – mostly we all feel happy but sometimes we feel sad or angry or in need of a hug and we have learnt that it is ok to feel like that, and we should talk to our adults about it. We also need our adults help to write our worries down for Rainbow – and then he gobbles them up for us, so that we don’t have to worry any more.

If you would like your child to start Pre-School in September and you would like any further information, please feel free to contact us on 01284 827588 (please leave us a message if we are having too much fun to hear the phone) or e-mail us on lawshallpreschool@hotmail.co.uk

Jobs for Jayne

Could you make your life easier, simpler or more organised by giving some of your jobs to Jayne? These can be done whilst you are at work,

whilst you are busy elsewhere or with you.

- Do you wish you had some food prepared so you could just enjoy heating and eating it? Would you like your favourite meals cooked your way with a little help from me?
- Do you wish someone could help in the mornings so that you could do the school run, go to work and come home to a tidy kitchen?
- Would you like your food delivery put away whilst you are at work?

I can help you with putting out the washing and getting it in.

I can be with you in your garden and help with tasks that you want to do but can direct me to do for you.

I can organise paperwork and type letters if needed.

These are only some of the jobs I can help you with, please call me to discuss your requirements.

SHIMPLING VILLAGE HALL MANAGEMENT COMMITTEE

With lockdown finally coming to an end, it will be good to meet together as a Community once more. Hopefully, you have all put Sunday 27th June in your diaries. This will see the return of Shimpling Celebrates and our annual Cart Race.

Trust there will be plenty of entrants and that some of you are already designing and building your carts. The course will start at the top of Slough Hill, which is where we will meet, ready to start at 12 noon.

For those wishing to take part, please ensure that you have a helmet or some kind of head protection. For younger entrants, a helmet, plus protection for knees and elbows. All entrants do so at their own risk.

The number of runs down the hill will depend on the number of entrants, one if there are a lot, two if numbers are fewer. If you wish to enter the race, please contact Marian 828187.

The Committee hopes that if things continue to go well, we may be able to organise a Village Meal, which we missed out on earlier this year. Fingers crossed, we may once again be able to hold it at The Bush.

The hall will be redecorated in early August, so once we are able to get back into the swing of events, the hall will be refreshed and ready to welcome everyone back.

Collecting Stamps for RNIB

Thank you to everyone who donated stamps for the above appeal. I have sent the first very full envelope off. I have been sent another envelope so if you feel like carrying on collecting I will be happy to send these off. Please pop through my door – Ruffles, The Street.

HARTEST AND DISTRICT GARDENING CLUB

Our Plant Sale will be Sunday June 6th, a joint venture with Hartest Church, and on the Green this year, not in the

Institute. Donations of plants can be made from noon – look out for the marquee! Cakes for the Church, who are doing the refreshments, are also welcome – please advise on the wrapping if nuts are included. We will also have a tombola, so prizes for that would be great. We open for sales at 2pm.

The next evening, Monday 7th, we are visiting a garden in Great Barton – Cattishall Farmhouse. This is described on the NGS website as “Approx 2 acre farmhouse garden enclosed by a flint wall and mature beech hedge laid mainly to lawns with both formal and informal planting and large herbaceous border. There is an abundance of roses, small wildlife pond and recently developed kitchen garden incl a wildflower area and fruit cages. Chickens, bees and a boisterous Labrador also live here. Generally flat with some gravel paths. The garden also has two water features, a swimming pool area and a small lavender walkway”.

Sounds just what we all need! We will meet there at 7.00pm, the postcode is IP31 2QT, the entry fee is £6 per person, which includes tea and cake. It would be nice to give them an rough idea of numbers, we don't want them to run out of cake!, so please let Geraldine know as below if you are planning to come.

The next visit will be to West Lodge, at Bradfield St. George, postcode IP30 0DL, again meeting there at 7.00pm on July 5th, £7.50 including refreshments. This garden is rarely open to the public, and is well worth visiting.

On August 2nd we will be back in the Institute at Hartest for the first time since March 2020! Our speaker is a favourite, Nigel Start, on the subject 'Self-Sufficiency from your Garden'. Nigel is always an entertaining speaker, entry fees are £2 for members, £3 for non-members, and the meeting will start at 7.30pm.

On Sept 6 the speaker will be Dr Ian Bedford on 'Gardens for Us and Them', and on September 11th is our Annual Show – schedules for this will be available at the Plant Sale and the June and July visits. Information on the other events above and for the rest of the year are on our website

www.hartestgardeningclub.info.

If you have any questions about the club, please contact me, either via email on gross7702@gmail.com, or by phone on 01787 280134.

**Ollie's Pet Care
 (Oliver Schofield)
 Covering Shimpling & Alpheton**

For many years Ollie's Pet Care has helped many pet owners in the village of Shimpling, from a one-off feed to a months pet care. I offer a bespoke service.

Bins, post and small gardening jobs can also be considered. If you are going away for a night, or going on holiday, contact me and I may be able to solve your pet care problem !

**Rabbits, Hamsters, Guinea Pigs, Fish
 Birds, Dogs, Cats, Chickens etc**

HAPPY TO HELP Garden Services

Call David on 01284 828127

We are two brothers who are passionate about the work we do, to please all with the quality of work and skill we provide, we are only happy if the customer is happy. Between us both we have extended experience in the building trade, we have worked in the past with a small building company building high quality and top spec houses, with over 15 years of experience and employment, (which we were very grateful for) we decided the time was only right to please others under our own name of Reynolds Building & Garden Services.....

These are a few of the services we provided,

plastering, tiling, ground works, landscaping, garden design and build, small extensions, and a small amount more.....
