YOUR VILLAGE NEEDS YOU!

We are looking for volunteers who can help the Parish Council with residents' requests for help. Please contact Liz Brunwin on 828122 or email lb.shimpling@gmail.com if you can help. Our plan is that residents should contact the Parish Councillors on the numbers above in the first instance and they in turn will then make contact with the volunteer coordinators to action those requests.

The spread of coronavirus is going to be disruptive to our country but it is important to remember that the majority of those who become infected with the virus will recover.
